How to Use Your

GREATER WINDSOR CITY DIRECTORY!

The major sections of this Directory are arranged in the following order for your ready reference:

1. **INTRODUCTION, INDEX AND MISCELLANEOUS**
2. **CLASSIFIED BUSINESS DIRECTORY (Yellow Paper)**
3. **ALPHABETICAL DIRECTORY (White Paper)**
4. **"WHO CALLED ME ?" SECTION (Blue Paper)**
5. **STREET AND HOUSEHOLDER GUIDE (Pink Paper)**

The following list of typical everyday questions will indicate both the types of information available and the section (or sections) of the directory in which the information may be found:

ABOUT AN INDIVIDUAL—

	Section
How does he spell his name?	3
What is his wife's first name?	3
Where does he live?	3
Does he own his home?	5
Has he a telephone?	4
Who are his neighbors?	5
What does he do for a living?	3
Where does he work?	3
Is he the "head of the house" or a "resider"?	5
Does he own a business?	3
Is he a member of a partnership?	3
Is he an officer in any corporation?	3
Who else is in the same business or profession?	2
What was the name of the widow's husband?	3
Quickest way to get there?	5

ABOUT A BUSINESS CONCERN—

	Section
What is the correct name?	2-3
What is the correct address?	2-3
Have they a telephone?	2-4-5
Just what do they do?	2-3
Is it a Partnership or Corporation?	3
Who are the Partners? (if a firm)	3
Who are the Chief Officers? (if Inc.)	3
Who else is in same or similar lines?	2
What are their specialties?	2-3
Description of their products and/or services	2-3

ABOUT A TELEPHONE NUMBER—

	Section
To Whom does this telephone number belong?	4

ABOUT A LOCALITY—

	Section
How do the streets run?	5
Who lives at a given address?	5
Is it a "home owners" section	5
Just where in the block is it located?	5
What is the nearest street corner?	5
What is the nearest store, church, school, garage, etc.?	5
If business location, what business?	5
If an office bldg., who are in what room?	5
Where are the public and office buildings?	2-3

ABOUT A CLUB, SOCIETY OR ASSOCIATION—

	Section
What is the complete name?	2-3
Who is the Secretary?	3

ABOUT CIVIC, COUNTY, PROVINCIAL or FEDERAL GOVERNMENT DEPTS., CHURCHES, SCHOOLS, ETC.—

	Section
What are the various Civic, County, Provincial, & Federal Government Departments?	1-3
What are their locations?	1-3
Who are the Justices, Officials, etc.?	1-3
What are the latest population figures?	1
What is the latest Statistical and General Civic Information?	1
What are the Churches, and where located?	2-3
Who are the Pastors?	3
What are the names and locations and who are the Principals of the Schools?	2-3
What are the names and locations of the Cemeteries?	2-3
What are the locations of the Hospitals and Homes?	2-3

WINDSOR - *Canada's Ambassador City*

SOUTH OF THE BORDER

Metropolitan Windsor, Ontario, population 205,929, is Canada's largest city on the U.S.-Canada boder. It is situated on the Detroit River, the world's busiest waterway. During the 1964 season (263 days), vessel passages in both directions on this river totalled 16,056 (exclusive of passenger and sand boats) — an average of 61 per day, or one vessel every 24 minutes, carrying a total of over 120 million net tons of cargo. On this great inland water route, a part of the Great Lakes System, ply ships as long as 730 feet, carrying finished products and raw materials (iron ore, coal, limestone, grain, etc.) to and from the markets of the world.

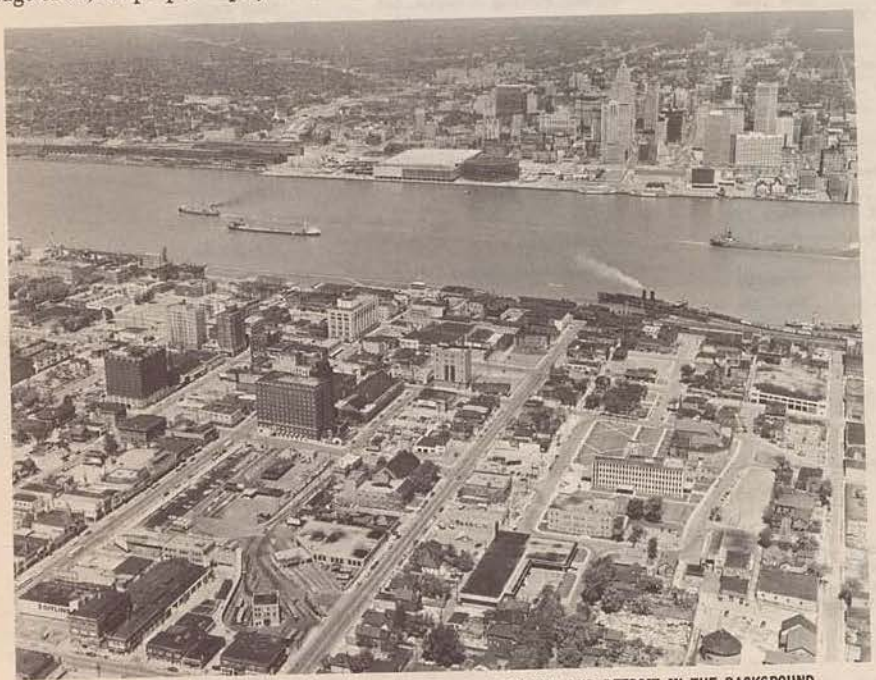
Geographically, Windsor is situated south of many parts of the United States. Between Detroit (metropolitan population 4,041,000) and Windsor there cross in both directions each year over 27 million persons (1965 — 27,482,983) of whom over six million (1965 6,319,489) are American visitors to Canada. Both communities are connected by railway tunnel, the Ambassador Bridge, the Detroit-Windsor vehicular tunnel and railway car ferries.

FROM SKILLED HANDS

Although ninth (metropolitan is tenth) in population, Windsor is sixth on Canada's list of industrial centres and gaining ground steadily. Capital and repair expenditures for manufacturing in Windsor have been increasing: 1963 — $30.8 million, a figure which was more than doubled in 1964 — $65.2 million; 1965 — $87.6 million, second highest in the nation. In 1965, there has been a monthly average of 35,887 people employed in Windsor area manufacturing industry. The 1963 average annual taxable income for individual taxpayers in Windsor was $5,000 — fourth highest in Canada. Windsor, the "City of Firsts" was the first to inaugurate (1959) a standardized industrial apprenticeship programme sponsored by Windsor Chapter, Ontario Industrial Education Council. Windsor factories continue to add more value to manufactured goods, per employee, than their counterparts in other Canadian industrial centres (1962 — $14,321 latest figure available). Windsor's 490 industries produce a wide range of products. Well known for automobile manufacturing, Windsor produces Chrysler automobiles; Ford engines and parts; McKinnon Industries — General Motors standard and automatic transmissions; Kaiser Jeep vehicles; General Motors automotive trim, etc. Other nationally-advertised products from Windsor are: Anacin, Burroughs Machines, "Windsor Salt" (rock salt mines here produce more salt than all other Canadian salt works and salt mines combined), Tums, Toledo Scales, Hiram Walker's "Canadian Club", Champion Spark Plugs, Bicycle Playing Cards, Green Giant (canned vegetables and the largest sweet corn processors in Canada), Carling's Black Label, Dragon Brand Frozen Foods, and many, many more. In 1965, 28 new industries located here, 31 new plants were built and there were 51 plant expansions included among 857,000 square feet of new industrial space constructed during the year. Over a ten-year period (1956-1965) there has been an average industrial growth of 8.8 acres per year of factory space for new plants and expansions. This is a total, for the period, of 85 new plants and 393 expansions. An annual average of 537 new single and 342 multiple dwellings were built in the area from 1961 to 1965. All previous housing records will be surpassed in 1966.

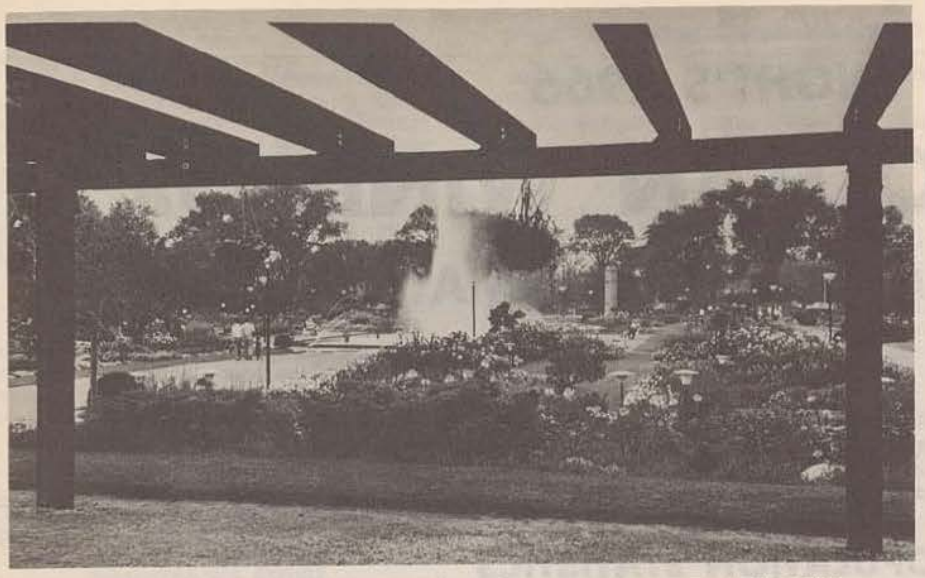
FROM HERE TO EVERYWHERE

This area is well served by five main railways and one terminal line; a transcontinental air line (Air Canada); an international air line (Canadian Pacific Air Lines Limited: South America-Mexico-Windsor to Madrid and Rome); chartered flights, and highway transport facilities. An extensive expansion programme has been completed at the Windsor Airport ($1 million new terminal building, $1,340,000 in runways). Additional runways are planned for the near future to accommodate enlarged service. Windsor, too, is determined to realize every advantage of the St. Lawrence Seaway for its port which now provides Great Lakes transportation. Windsor port facilities are being improved and expanded. In 1965, total gross cargo tonnage, in and out of the harbour, amounted to 11,038,878 gross tons.



DESIGN FOR BETTER LIVING

The Windsor area maintains its brisk pace with the amazing growth of Canada. The City has expanded since the end of World War II under a zoning system to protect the stability of residential, commercial and industrial properties. As of January 1, 1959, Windsor inaugurated the Council-Manager plan of municipal government. In co-operation with Canada's programme of pollution abatement, a second sewage treatment plant is being constructed on the city's west side which, together with the first plant recently completed on the east side, will service the entire area. Annexation of surrounding townships took place in January, 1966. Now the city covers 30,000 acres. The community is constantly developing a programme of progressive capital expenditures on a period basis. Current 1966-1970 capital works programme is $52,054,000 of which only $33,671,112 will be debentured. While all recent improvements to end of 1965 involve an outstanding debenture debt of $30,623,762, Windsor has one of the lowest ($164.68) per capita gross debenture debt among Canadian cities.



Windsor's programme of redevelopment and beautification, launched in 1956, triggered immense private and public interest and investment here. Throughout the city, private enterprise is constructing office buildings, shopping plazas, apartment complexes.

This is the same programme responsible for today's very attractive Civic Centre, formed around a nucleus which began with the Municipal Courts Building (1963) and the Ontario Tourist Centre (downtown) (1963). In this vicinity, now under construction and scheduled for completion in 1966, are two major projects: a department store complex and a high-rise luxury apartment; a six-storey, 599-space municipal parking garage, in this same area, was opened in December, 1965.

Only the initial stages of Windsor's comprehensive waterfront development have been

Windsor Chamber of Commerce.

completed: the Cleary Auditorium and Memorial Convention Hall (1960), Dieppe Gardens (1960) and the Hiram Walker Historical Museum (1958). Recently, a proposal was accepted for the construction of a 231-unit motel complex near the convention hall. Centennial Park, west of the proposed complex, will be completed mid 1966 and is a part of riverfront beautification which is to continue through to Huron Line. Another hotel complex and a recent major expansion at a motor hotel (both on Ouellette Avenue) will double Windsor's excellent convention facilities by 1966.

EDUCATION – GATEWAY TO PROGRESS

Metropolitan Windsor has excellent facilities for education of its 58,861 day students (1966 – 108 primary schools; 15 secondary schools, including two junior vocational schools); University of Windsor with Holy Redeemer, Canterbury and Iona Colleges as affiliates, and Assumption University of Windsor federated within the new University; Western Ontario Institute of Technology (1958); and the Windsor Teachers College (1962). A college of Applied Arts and Technology is designated for this area. Windsor is the first city in Ontario to have "language lab" courses in elementary and secondary schools..

Opportunities for all types of recreation are available here and for restoration and protection of health (5 hospitals, the Essex County Sanatorium, Victorian Order of Nurses and Red Cross Units). All the basic, voluntary, health, welfare and social agencies (20) are supported financially by the United Community Services of Greater Windsor established, originally, in 1947.

An important programme for additional educational and hospital facilities, involving millions of dollars, is underway.

"AND PURE RELIGION BREATHING HOUSEHOLD LAWS"

There are approximately 161 churches and four synagogues in the Windsor area, embracing a wide group of religious affiliations.

PIONEERING IN MEDICINE – SOCIOLOGY – WELFARE

In the field of sociology, health and general welfare, Windsor has given a generous share of leadership. In 1949, Windsor established the first Child Guidance Clinic in Canada. In 1919 there was established in the Windsor area, the first amalgamated health unit in Canada comprising six communities. A larger unit for the entire county area (excepting Pelee Island) came into operation July 1, 1964. Windsor Medical Services, Inc. is the first doctor-sponsored, prepaid community medical plan in Canada. Prescription Services, Inc. (Windsor) is the first prepaid, voluntary medical prescription service in existence. The Windsor Cancer Clinic, opened in 1935, is one of the original cancer clinics sponsored by the Ontario Government. Windsor is one of the first four Ontario communities to establish (1954) homes for senior citizens. At present there are 108 units for couples and 108 units for individuals and 212 units will be erected in the downtown area in the near future. In 1955, the first community co-ordinating centre for rehabilitation services in Ontario was established here. Windsor is among the first to have a Senior Citizens' Centre. Windsor's million dollar Huron Lodge, one of the finest homes for the aged in Canada (150-bed capacity), was completed in 1961.

A FREE PRESS – BASTION OF DEMOCRACY

Windsor and Essex County (total population 263,000) enjoy the news services of an outstanding Canadian daily newspaper – The Windsor Star (winner John A. MacLaren Newspaper Award in 1965), circulation 82,385; ten weekly newspapers; Radio Stations CBE (1550), CKWW (580), CJSP (710) Leamington, CKLW (800) and CKLW-TV (9) one of the most powerful (325,000 watts) television stations on the North American continent.

DRIVE SAFELY – THE LIFE YOU SAVE MAY BE YOUR OWN

In spite of an increasing volume of traffic, Windsor's record compares favourably with traffic records of communities of similar size. Traffic accidents wer held down to 3,914 and 14 fatalities in 1965. Area automobile registrations for 1965 totalled 76,739. Besides this traffic during the past year, 3,876,372 U.S. automobiles entered Canada at this point. Progressive traffic changes and off-street parking facilities are being constantly studied and improved.

SUNSHINE AND MELLOW FRUITFULNESS

Windsor's industry is well balanced with a prosperous agricultural community in Essex County, well known as the "Sun Parlour of Canada" where there are produced 33 different fruit and vegetable crops. Because of a favourable climate (average winter high 33, low 20; summer high 79, low 62) fertile soil and a long growing season from average of 208 days in northern section to 216 days in the south, with average of 165 frost-free days, the county produces fruit (peaches, pears, apples, cherries) and vegetables which reach market one to five weeks earlier than any other area in Canada: corn, soy beans, wheat, oats, tobacco, sweet potatoes, asparagus. Farms here have a higher per capita production than anywhere else in Canada. 51% of total Ontario production of field crop tomatoes for canning are grown in Essex County. Essex County holds second place in the province in acreage devoted to fruit trees with peach and dwarf apple trees showing consistent gain. 1964 figures set a value of approximately $7,727,559 on livestock and poultry in Essex County. There are nearly 300 acres of land under glass in the Sun Parlour of Canada – nearly half of the greenhouse area in Canada. These greenhouses produce more than $6½ million worth of cucumbers and tomatoes annually. Floricultural products are becoming increasingly important. Yoder-Atkin Limited, nationally recognized propagators of floricultural material, and Noweta Flowers Limited, the largest (105 acres) gladiolus bulb supplier in Canada, are located in Leamington, which is also the home of the world's largest tomato processing plant, operated by the H. J. Heinz Company of Canada Limited.

MIGHT'S 1966

METROPOLITAN WINDSOR

ALPHABETICAL DIRECTORY

Consisting of

An Alphabetical List of Names

Of individuals 18 years of age and over showing Christian and surname with initials, occupation with name of firm employed by or associated with and address with indication as to whether (h) householder or (r) residing (boarding, rooming, living at home). Wife's first name (where applicable) is shown in parentheses after husband's name.

Of commercial, industrial, financial, professional, religious and governmental organizations with names of executives showing titles, type of product or service produced or rendered and address.

Of clubs, associations, churches, trade unions and various other kinds of organizations, with address.

Of city, county, provincial and federal government departments and officials.

PLEASE NOTE

(1) Many surnames have several different spellings. If you cannot find the name you are seeking under one spelling it may be listed under another.

(2) For list of abbreviations used see back of this page.
